

LUSSMANN'S

E A T E R Y

The local's fish & grill restaurant providing freshly prepared great tasting food, with regionally sourced ingredients, championing artisan producers.

The way we cook and the relaxed manner in which the staff look after you is what Lussmann's is all about.

Free range local Label Anglais chicken, award winning organic Sussex breed beef, sustainable fish kind to the sea and great tasting local farm-assured pork are central to the Lussmann's plan.

We are dedicated to working with the country's best suppliers; organic juice growers, great British beer producers, "the world's most delicious ice cream maker" and a wine supplier with over 200 years of experience to provide our customers with food & drink to appreciate.

We are happy to support and help anyone with any dietary requirements such as wheat free and vegan diets.

At Lussmann's we hope that you enjoy our fare and we welcome any comments and feedback.
